A Special Meeting of Town Council was held on the above date at 6:00 pm at Town Hall, all requirements of the Freedom of Information Act having been satisfied.

Present were: Mike Perkis, Mayor
Jerry Kaynard, Mayor Pro-Tem
Chauncey Clark, Councilman
Hartley Cooper, Councilwoman
Susan Middaugh, Councilwoman
Patrick O'Neil, Councilman
Mary Jane Watson, Councilwoman

Mayor Perkis called the meeting to order at 6:00 pm and stated the press and public had been notified in accordance with State law. The purpose of the meeting was for the public hearing of the 2008 Comprehensive Plan Update (Planning Commission 5-Year Interim Review). The Comprehensive Plan Update will be discussed again at the July 7th workshop, and could be ratified at the regular Council meeting in July.

Mayor Perkis asked if there were any questions or comments from the audience. Evelyn Needle, 2419 Atlantic Avenue, stated since the comprehensive plan included the accreted land, she was concerned about any new objectives regarding the accreted land; specifically she was concerned about the walking paths in the accreted land. Mayor Perkis stated the Planning Commission has made recommendations for the comprehensive plan for Council's review. Their recommendations for the front beach and beach access are in the document for everyone's review. Mayor Perkis stated that if anyone has further questions, please review the document on the website, or call a Council member or Town Hall for further information.

There being no further questions, comments or discussion, **motion was made by Councilman Kaynard, seconded by Councilman Clark, to adjourn at 6:15 p.m., carried unanimously.**

Council then proceeded with the regularly scheduled Council meeting.

Respectfully submitted,

Ellen Miller
