

## Town of Sullivan's Island

### Helpful Hints: Yard Debris & Yard Work

- **RIGHTS-OF-WAY:**

*No plants, fences or obstructions on the right-of-way and utility easements*

- **USE CLEAR BAGS:**

*Place grass clippings and leaves in paper bags, not plastic*

- **CUT LIMB SIZES DOWN:** Four feet (4') or less

- **PACE YOURSELF:**

*Suburban Disposal can only pick up small piles of yard debris from each home each week. Put out small piles weekly to ensure it all gets picked up.*

- **CURB IT:**

*Place yard debris at the end of your curb (not vacant lots) on Tuesday evenings.*

- **LAWN CONTRACTORS & ARBORISTS:**

*These vendors must remove their own debris*

*Clearing a vacant lot? Plan to remove your own yard debris.*

**Questions or Concerns? Call Town Hall at (843) 883-3198 ext. 3.**
