

## MAYOR'S GREETING

Welcome to Sullivan's Island and to our municipal website. Spring will soon be here bringing with it longer, warmer days and many more visitors to our island, a place we call home.

The newly rebuilt bridge over the Intra-Coastal Waterway to Mount Pleasant is now in use, but demolition of the old approaches and construction will continue into late spring. This means that the speed limit in this Construction Zone will remain at 40 mph, 24 hours/7 days a week.

We have many fine restaurants in our Community Commercial District. I encourage you to visit them and ask you to remember, in the late evening hours, to respect the residents nearby and quietly return to your vehicles.

While enjoying our fine, non-commercial family-friendly beach, be mindful of the rules regarding dogs and safety. Note alcohol and business activity are prohibited on the beach. Details regarding Town rules and regulations may be found on our website and on signs located at all the major beach access paths.

To those who are returning to our island, welcome back. Have a safe, healthy visit to our home.

Regards,

Carl J. Smith  
Mayor  
Town of Sullivan's Island
