

Planning Commission  
Minutes  
May 10, 2006

Present: Scott Parker, Hal Currey, Aussie Geer and Pat Votava

Absent: Alice O'Dell, Bobby Thompson and Elaine Fowler

A motion was made by Hal Currey, seconded by Aussie Geer to approve the minutes from the April 26, 2006 meeting.

A motion to amend the minutes was made by Pat Votava, seconded by Hal Currey to reflect that after hearing from staff the board decided that the issue before them was the boat lift and not non-conformities. Motion carried unanimously.

Original motion as amended carried unanimously.

Councilman Pat O'Neil gave the Planning Commission an update on the discussion of the Commercial District and the subdivision of lots. Town Council plans on giving the Planning Commission more specifics to hold a public hearing on. Hal Currey explained that at the last meeting the Planning Commission, in general, was against holding a public hearing with out specifics and would like to look at the commercial district as a whole.

Respectfully submitted,
